EDUCATION

BA in Applied Mathematics

2015-2018

University of California, Berkeley

Currently 3.1 GPA. Applied Mathematics with a focus in Statistics. Member of the Mathematics Undergraduate Student Association (MUSA), Statistics Undergraduate Student Association (SUSA), and the Cal Club Golf Team.

AA-T in Mathematics

2012-2015

City College of San Francisco

Graduated with 3.8 GPA and completed the college honors program by fulfilling projects in various classes. Such projects include lectures on continuous dynamical systems and markov chains, a lecture on the golden ratio and its applications to nature and art, a research paper on Pythagoreans and their influence on Greek and modern culture, a paper on the depictions of family and sex in Aldous Huxley's brave new world, and a statistical analysis on grades and unit count among students at CCSF. Member of Alpha Gamma Sigma Honor Society.

WORK EXPERIENCE

FitStaff

2017-2018

Berkeley Rec Sports, Part-time

Ensured the university gym is a safe space for all patrons to work out by tending to patrons' needs and providing a clean and safe environment to workout. Required knowledge of fitness and how to use machines.

Varsity Golf Head Coach

2013-2015

Terra Nova High School, Part-time

Assembled and coached Boys Varsity Golf and led them to a division championship. Created the school's first girls golf team and recreated the school's JV team. Demonstrated leadership by coaching the team, handled the team funds, and organized and planned the season schedule.
